Organizer: Susan Dudley, George Washington University

Chair: Thomas J. Kniesner, Claremont Graduate University, USA

Panelists:

- Glenn Blomquist, University of Kentucky;
- Joseph Cordes, George Washington University;
- Don Kenkel, Cornell University;
- Lisa Robinson, Harvard University;
- Kip Viscusi, Vanderbilt University;
- Dale Whittington, University of North Carolina at Chapel Hill;

7. Luncheon Keynote Presented by Cass Sunstein [Plenary]

Thursday | 12:30 pm-2:00 pm | GWU Grand Ballroom

8. Methods for Improving Human Health Benefits Assessment for Regulatory Analysis*
[Full Panel of Research Presentations]
Thursday | 2:15 pm-3:45 pm | GWU Amphitheater

Organizer: Kate Munson, ICF Incorporated

- *Valuing Short-Term Self-Reported Anxiety and Depression Symptoms* Mary Sluder, ICF Incorporated [show abstract](#)
- *Using Population Attributable Fraction to Constrain Environmental Risk Estimates* Kate Munson, ICF Incorporated [show abstract](#)
- *No human data? Not APROBAlem! Probabilistic Dose-Response for Benefits Analysis* Wes Austin, Environmental Protection Agency [show abstract](#)
- *Novel Valuation of Information Analysis for Toxicity Testing Alternatives* Greg Paoli, Risk Sciences International [show abstract](#)

Panelists:

- Mary Sluder, ICF Incorporated;
- Kate Munson, ICF Incorporated;
- Wes Austin, Environmental Protection Agency;
- Greg Paoli, Risk Sciences International;

9. Program Evaluation [Full Panel of Research Presentations]

Thursday | 2:15 pm-3:45 pm | GWU Student Center 301

- *Benefit-Cost Analysis of New York's City of Yes and Similar Initiatives* Kenneth Acks, New York University [show abstract](#)
- *Regulation-Driven Innovations: A Textual Analysis of U.S. Patents and Federal Regulations* Zhoudan Xie, George Washington University [show abstract](#)
- *A Stakeholder Analysis of the Critical Cost Benefit Variables in the Design of PPP Initiatives in the Potable Water Sector* Mikhail Miklyaev, Cambridge Resources International Inc; and Glenn Jenkins, Queens University [show abstract](#)
- *Cost Effectiveness Analysis in Education Research: Costing Out Mission US* Hai Lun Tan, Education Development Center; Joy Kennedy, Education Development Center; Jacqueline Zweig, Education Development Center; Makoto Hanita, Education Development Center; Mary Campos-Pereira, Education Development Center; and Kevin Waterman, Education Development Center [show abstract](#)

10. Environment [Full Panel of Research Presentations]

Thursday | 2:15 pm-3:45 pm | GWU Student Center 302

- *Change in vegetation cover and Malaria prevalence: Evidence from Uganda and Ethiopia* Franklin Amuakwa-Mensah, University of Gothenburg; Bahre Gebru, Uppsala University; Rebecca Klege, Henry J. Austin Health Center; and Mboundor Diouf, University of Poitiers and the Chaire EIEA Mines Paris PSL-UM6P. [show abstract](#)

Chair: Jennifer Baxter, Industrial Economics, Inc.

Panelists:

- Cary Coglianese, Pennsylvania State University;
- Don Goodson, New York University;
- Alan Krupnick, Resources for the Future;
- Roger Nober, George Washington University;
- Sanjay Patnaik, Brookings;

19. Equity and Benefit Cost Analysis* [Full Panel of Research Presentations]

Friday | 10:45 am-12:15 pm | GWU Amphitheater

Organizer: Maddalena Ferranna, University of Southern California

- *The Five W's of Distributional Analysis: A Primer on Why, When, Who, What, and HoW to Conduct Distributional Analysis* Vasundhara Gaur, Lawrence Berkeley National Lab; and Jason Schwartz, Institute for Policy Integrity [show abstract](#)
- *Uniform value-per-statistical-life or equity weights? Theoretical and practical considerations* Maddalena Ferranna, University of Southern California; James Hammitt, Harvard University; and Lisa Robinson, Harvard University [show abstract](#)
- *Health-augmented lifecycle-model-based estimates of the value of health globally* JP Sevilla, Data for Decisions; Maddalena Ferranna, University of Southern California; and David Bloom, Harvard University [show abstract](#)
- *Pareto for Pigs and Puppies?* Kevin Kuruc, University of Texas at Austi [show abstract](#)
- *A Tool for Generating Estimates of WTP for Animal Welfare from Existing Data* Monica Saavoss, USDA Animal and Plant Health Inspection Service; Mark Budolfson, University of Texas at Austi; Bob Fischer, Texas State University; and Kevin Kuruc, University of Texas at Austi [show abstract](#)

Panelists:

- Vasundhara Gaur, Lawrence Berkeley National Lab;
- Maddalena Ferranna, University of Southern California;
- JP Sevilla, Data for Decisions;
- Kevin Kuruc, University of Texas at Austi;
- Bob Fischer, Texas State University;

20. Regulatory Policy [Full Panel of Research Presentations]

Friday | 10:45 am-12:15 pm | GWU Student Center 302

- *Significance of Regulatory Significance: Examining Economic Impact in Rulemaking* Christopher Carrigan, George Washington University; and Stuart Shapiro, Rutgers University [show abstract](#)
- *What Peer Reviewers Advised Regarding Notable Proposed Updates to Circular A-4* Glenn Blomquist, University of Kentucky [show abstract](#)
- *Short- and Long-Run Effects of Universal School Meals: Evidence from the Community Eligibility Provision* Lexin Cai, Cornell University [show abstract](#)
- *Why OMB's Social Welfare Function Is Not Society's Social Welfare Function* Kip Viscusi, Vanderbilt University [show abstract](#)

21. International Regulatory Policy [Full Panel of Research Presentations]

Friday | 10:45 am-12:15 pm | GWU Student Center 310

- *Government expenditures in G7 countries over 200 years: three stylized facts and a cost-benefit interpretation* Massimo Florio, CSIL; Andrea Bastianin, Università degli Studi di Milano; and Chiara Del Bo, Università degli Studi di Milano [show abstract](#)
- *Challenges in Implementing Cost-Benefit Analyses in Brazilian Regulatory Policymaking* Natasha CACCIA SALINAS, Getulio Vargas Foundation; and Flávio Saab, Fundação Getulio vargas [show abstract](#)
- *Analyzing the diversity of regulatory alternatives in Brazilian RIAs* Flávio Saab, Fundação Getulio vargas; and Lucas Thevenard Gomes, Getulio Vargas Foundation [show abstract](#)
- *Measuring Regulatory Quality in Brazil: insights from the Institutional Capacity Index* Patricia Valente, Instituto de Ensino e Pesquisa - Insper [show abstract](#)

22. Valuation of Developmental and Reproductive Conditions for Regulatory Analysis* [Innovative Session]

Friday | 10:45 am-12:15 pm | GWU Student Center 307

Organizer: Anna Belova, ICF Incorporated

- *Valuation of Childhood ADHD Incidence Reductions for Benefit-Cost Analysis* Anna Belova, ICF Incorporated; André Kiesel, ICF Incorporated; Alex Lindahl, ICF Incorporated; Sorina Eftim, ICF Incorporated; Jessica Balukas, ICF International; Jason Jones, ICF Incorporated; Michael Wilson, Environmental Protection Agency; and Gregory Miller, Environmental Protection Agency [show abstract](#)
- *Estimating the Epidemiological and Economic Benefits of Preventing Endometriosis* André Kiesel, ICF Incorporated; Anna Belova, ICF Incorporated; Alex Lindahl, ICF Incorporated; Sorina Eftim, ICF Incorporated; Jessica Balukas, ICF International; Jason Jones, ICF Incorporated; Michael Wilson, Environmental Protection Agency; and Gregory Miller, Environmental Protection Agency [show abstract](#)
- *Valuation of Short- and Long-Term Preeclampsia Impacts for Benefit-Cost Analysis* Jessica Balukas, ICF International; Anna Belova, ICF Incorporated; André Kiesel, ICF Incorporated; Alex Lindahl, ICF Incorporated; Sorina Eftim, ICF Incorporated; Jason Jones, ICF Incorporated; Michael Wilson, Environmental Protection Agency; and Gregory Miller, Environmental Protection Agency [show abstract](#)

Discussant:

- Michael Wilson, Environmental Protection Agency;

Awards Luncheon and Business Meeting [Plenary]

Friday | 12:30 pm-2:00 pm | GWU Grand Ballroom

23. International Program Evaluation [Full Panel of Research Presentations]

Friday | 2:15 pm-3:45 pm | GWU Student Center 301

- *Cost–benefit analysis of climate-resilient agricultural technologies in Senegal* Tulika Narayan, Mathematica; Faraz Usmani, Mathematica; Aliou Faye, ISRA-CERAAS; Edith Felix, Mathematica; Haixin Chen, Regrow Ag; and Sarah Leser, Mathematica [show abstract](#)
- *DERIVING THE ROLES OF HEALTH AS LIMITATIVE FACTOR IN LIVELIHOOD AND WELLBEING. An empirical magnitudinal disintegration of the Alkire- Foster Multidimensional Poverty Indicators among South West Nigerian Poultry Farm Holders.* David Popoola, Federal University of Agriculture [show abstract](#)
- *TV, TEDx, and Tweets: Measuring the Impacts of a Multi-pronged Edutainment Program in Kyrgyz Republic and Tajikistan* Chris Heitzig, Institute of Development Studies; and Renuka Pai, International Finance Corporation [show abstract](#)

24. Valuation of Water Resources [Full Panel of Research Presentations]

Friday | 2:15 pm-3:45 pm | GWU Student Center 302

- *Estimating the Economic Contribution of Freshwater Ponds and Lakes on Cape Cod* Jeremy Halstead, Eastern Research Group, Inc.; Paige McKibben, Eastern Research Group, Inc.; Lou Nadeau, Eastern Research Group, Inc.; and Charles Goodhue, Eastern Research Group, Inc. [show abstract](#)
- *Advancing the Frontier of Data Synthesis for Environmental Benefit Transfer: From Globally Linear Meta-Regression to Local Linear Forests* Rob Johnston, Clark University; and Klaus Moeltner, Virginia Tech [show abstract](#)
- *Estimating the value of living or staying near Cape Cod freshwater ponds* Lou Nadeau, Eastern Research Group, Inc.; Jeremy Halstead, Eastern Research Group, Inc.; Paige McKibben, Eastern Research Group, Inc.; and Charles Goodhue, Eastern Research Group, Inc. [show abstract](#)
- *Estimating the Monetary and Nonmonetary Benefits of Salt Marsh in Southeast New England* Paige McKibben, Eastern Research Group, Inc.; Jeremy Halstead, Eastern Research Group, Inc.; Lou Nadeau, Eastern Research Group, Inc.; Charles Goodhue, Eastern Research Group, Inc.; AnnaClaire Marley, Eastern Research Group, Inc.; Haley Miller, Environmental Protection Agency; and Adam Reilly, Environmental Protection Agency [show abstract](#)

25. The Year in Regulation: Benefit, Costs, and Other Implications of Federal Regulations in 2024* [Roundtable/Panel]
Friday | 2:15 pm-3:45 pm | GWU Amphitheater

Organizer: Craig Thornton, Mathematica

Chair: Lisa Robinson, Harvard University

Panelists:

- Kevin Bromberg, Bromberg Regulatory Strategy, LLC;
- Sarah Hay, George Washington University;
- Jason Schwartz, Institute for Policy Integrity;
- Stuart Shapiro, Rutgers University;

26. CBA and SROI Methodological Approaches to Measuring Social Value [Innovative Session]

Friday | 2:15 pm-3:45 pm | GWU Student Center 307

Panelists:

- Rob Moore, Scioto Analysis;
- Allison Rickett, Ohio University;

27. Methods II [Full Panel of Research Presentations]

Friday | 4:00 pm-5:30 pm | GWU Student Center 302

- *Substituting the Future for the Past: A Decomposition Analysis Using MarketSim* Minhong Xu, Center for Applied Environmental Law and Policy; and Peter Howard, New York University [show abstract](#)
- *The trade-off between incentive-compatibility and behavioral biases - the investigation of bid-vector and elicitation format effects in incentive-compatible contingent valuation* Wojciech Zawadzki, University of Warsaw; Mikołaj Czajkowski, University of Warsaw; Jens Rommel, Swedish University of Agricultural Sciences; Julian Sagebiel, German Centre for Integrative Biodiversity Research; Christoph Schulze, Leibniz Centre for Agricultural Landscape Research; Katarzyna Zagórska, University of Warsaw; and Ewa Zawojńska, University of Warsaw [show abstract](#)
- *A Model Firm Approach for Regulatory Impact Analysis* Matthew LaPenta, ABT Associates [show abstract](#)
- *All Costs Considered: An Exploration of Small Businesses from Revenue to Profit* Robert Press, Small Business Administration [show abstract](#)

28. Labor Markets [Full Panel of Research Presentations]

Friday | 4:00 pm-5:30 pm | GWU Student Center 310

- *Does Benefit-Cost Analysis 'Miss All the Important Stuff?' Wider Economic Impacts from Investing in Infrastructure* Don Pickrell, U.S. Department of Transportation [show abstract](#)
- *GRADUATE ENTREPRENEURIAL FUND SCHEME, AND ITS INCOME POTENTIALS AMONG YOUTH FARMERS. AN IMPACT ANALYSES OF SOUTH WEST NIGERIA YOUTH FARMERS.* Oluwaseun Adu, Federal University of Agriculture; and David Popoola, Federal University of Agriculture [show abstract](#)

29. Frontiers in Environmental Valuation* [Roundtable/Panel]

Friday | 4:00 pm-5:30 pm | GWU Amphitheater

Organizer: John Whitehead, Appalachian State University

Chair: Tim Haab, Ohio State University

Panelists:

- Mark Dickie, University of Central Florida;
- Rob Johnston, Clark University;
- Jonathan Lee, East Carolina University;
- Frank Lupi, University of Minnesota;
- Kent Messer, University of Delaware;
- George Parsons, University of Delaware;
- Christian Vossler, University of Tennessee;

30. Economics and Benefit Cost Analyses in Conservation Decision-Making*

[Roundtable/Panel]

Friday | 4:00 pm-5:30 pm | GWU Student Center 307

Organizer: Helena Cardenas, The Nature Conservancy

Chair: Priya Shyamsundar, The Nature Conservancy

Panelists:

- Helena Cardenas, The Nature Conservancy;
- Priya Shyamsundar, The Nature Conservancy;
- Timm Kroeger, The Nature Conservancy;
